

CARAVAN REGULATIONS

Application for a caravan shall be counted when the caravan is first offered at a caravan meeting, not when listed in the newsletter or caravan schedule. An application is only valid when it is completely filled out and accompanied with a check. The caravan offering will remain open for ten (10) days. All applications received within this ten (10) day time span will be considered for this caravan.

If this caravan is oversubscribed then a drawing shall take place at the next caravan meeting, with the exception of necessary workers chosen by the Wagonmaster and approved by the Caravan Director. If there is not a caravan meeting before the caravan leaves, then the drawing shall take place with those applications entered, supervised by the caravan director at the RV Club room located in the Sundial Recreation Center across from the pool on the west side of the auditorium. Applicants can choose to be there. If the caravan is not oversubscribed, then all applicants entered shall be on this caravan.

Any remaining spaces open after the first offering will be offered at the next caravan meeting and once again opened for ten (10) days. If these remaining spaces are oversubscribed, then there will be a drawing for these remaining spaces only, again with the exception of necessary workers chosen by the Wagonmaster and approved by the Caravan Director.

The applications received at the first caravan offering will not be affected by applications received at the second offering.

You must agree, that if you are unable to go on this trip and a standby is not able to take your place, you will forfeit moneys paid out for prepaid reservations, tours, etc. on your behalf.

GOOD LUCK ON YOUR CARAVAN OR RALLY!
